SKIN CARE You can be sure you will receive the most up to date skin care techniques by a licensed Esthetician who is highly trained and has recently participated in the most up to date continuing educational opportunities. Come in and Experience the Difference!

Research is always improving skin care techniques. We use the finest products available from skin care companies who use the latest research to bring you high quality at an affordable price.

Cosmeseutical are skin care products that are proven to make a change in your skin. They are not just a topical application.

SPA TREATMENTS—Go ahead indulge yourself relax and be pamper. European facials emphasis your relaxation and are a little hedonistic feel good and give your skin a deep treatment. Your skin and your mirror will know the difference.

Extractive Facial—this is just the solution for minor acne or congested skin. You do not need a lot of picking and squeezing let thecosmesudials do most of the work for you. This is a nice combination of the European and treatment facial.

TREATMENT FACIALS*—Results you can see and feel.

Active Acne*—an exfoliating and/or antibacterial treatment is just the right solution for you, with or with out extractions. Let a professional advise you on the best treatment customized to your needs.

Micro Ablation---this revolutionary treatment is antibacterial and treats acne below the surface. This treatment is safe and effective for everyone no contraindications to this treatment. Also minimized scars and pigmentation. Rotate or follow a custom treatment series with plasma ablation for the maximum in treatment.

Anti-aging—Safe and effective stimulate collagen; minimize wrinkles, pigmentation and scars. Many choices are available for your individual skin type. Treatments are customized for your individual needs.

Confidentiality statement: As a client your confidentiality is respected and protected.
